

EME International Seminar Series

Coastal engineering studies in China

LIU HAIJIANG

Professor

College of Civil Engineering and Architecture
Zhejiang University, China

浙江大学

Abstract:

Talks on coastal engineering studies and also on academic trends in China will be given. Keywords: Dam-break hydrodynamics, coastal groundwater hydrodynamics, digital grain size analyses, AI applications in coastal engineering, etc.

Bio:

Education

- 2000 B.E., Shanghai Jiao Tong University, Shanghai, China
- 2002 M.E., Shanghai Jiao Tong University, Shanghai, China
- 2005 Ph.D., The University of Tokyo, Tokyo, Japan

Professional Employment

- 2005 Visiting Scholar, the University of Sydney, Australia
- 2006 Project Research Associate, the University of Tokyo, Japan
- 2010 Associate Professor, the University of Tokyo, Japan
- 2012 Professor, Zhejiang University, China

Wednesday July 28, 2021

11:00 – 12:00 a.m. JST

Online (Zoom)
