

EME International Seminar Series

Material Characteristics and Structural Applications of Engineered Cementitious Composites

S. B. Singh

Senior Professor, Birla Institute of Technology & Science, Pilani, Rajasthan, India

[Abstract is available here](#)

Effect of ECC Layer Thickness and Reinforcement Ratio on The Load Carrying Capacity of Steel-Reinforced Composite Beams

Madappa VR Sivasubramanian

Associate Professor, National Institute of Technology Puducherry, Karaikal, India

[Abstract is available here](#)

Friday, 7th June 2024 13:00 – 14:30, 3E301 (onsite only)
